KINGDOM IMPACT
2024 ANNUAL REPORT *for Life!*

A PERSONAL WORD FROM **CHRISTINA HAGAN, EXECUTIVE DIRECTOR**

THANK YOU.

It's been a great year of seeing babies saved – and souls – by the power of the Gospel. You played a major role in making it happen, and I'm deeply grateful.

I'm excited to share the following updates with you. I know you will join us in praising God for the work He is doing through ICU Mobile as we *Serve Women, Save Lives, and Share the Gospel of Jesus Christ!*

Together, we are offering life on the front lines of the abortion decision. Your compassion is reaching women and families with TRUTH in their moment of need, welcoming them with love into our mobile units, offering free pregnancy tests and ultrasounds and the life-saving hope of the Gospel.

John 10:10 tells us that the enemy comes to "steal and kill and destroy," but Jesus came "so that they would have life, and have it abundantly."

This is our calling in 2024: to replace the abortion culture of death with the abundant life of Christ. Will you stand with us?

Four out of five women who get an ultrasound on board an ICU mobile unit choose life for their baby. Across the nation, we are seeing God move in amazing ways. And, with the Lord's help, you are making it possible.

Thank you for doing what you can to make a Kingdom impact for life alongside this ministry. God bless you!

LOVED TO LIFE ... A journey to hope and healing!

Her journey began in the darkness of domestic violence. Tamra* had just been released from the Emergency Room after a domestic abuse incident ... *and learned she was pregnant.* Faced with overwhelming uncertainty and fear, Tamra visited our mobile medical unit in Cuyahoga County, Ohio.

She came to us seeking a free ultrasound, but received so much more! We listened with compassion to Tamra's story and responded with the love of Christ – connecting this young woman in crisis to vital resources through the Cleveland Pregnancy Center ... and gave her a safe place to stay through the ministry of Hannah's Home, a faith-based maternity home for single pregnant women and their children.

Through the unified resources of ICU Mobile, the Cleveland Pregnancy Center, and Hannah's Home, Tamra received Christian counseling, pregnancy support, parenting classes, and, most importantly, the good news of the Gospel. Today, Tamra is plugged in to a local church, pursuing a relationship with Jesus Christ, and joyfully awaiting the birth of her baby.

Every woman deserves the caring community Tamra found when she boarded an ICU mobile unit and made a decision for LIFE ABUNDANT. By the grace of God, you are helping women like her make the journey from crisis to hope and healing. *Thank you for your support.*

PRO LOVE

It is more important than ever for pro-life centers and other groups to find women in need. They may not be walking into brick and mortar abortion facilities anymore. We must go to them. The best way to do that is through mobile units. And the best group to partner with on your mobile unit is ICU Mobile."
